BATHROOMS & KITCHENS

Our Expertise

Luxury Showroom & Distribution Centre

Our industry-leading showroom offers clients the opportunity to explore a curated range of luxury products firsthand. With a 15,000 SqFt distribution centre, we ensure on time and complete deliveries to match your project schedules.

Expert Design Team

We work closely with clients to develop bespoke specifications that seamlessly integrate with your project's design vision.

Broad Client Base

We collaborate with regional and national developers, major and local contractors, bespoke one-off builds, boutique and chain hotels, student & retirement communities, and the private rental sector.

Dedicated Customer Service

Our team provides comprehensive support from project conception through delivery and beyond.

Exclusive Brand Partnerships

We partner with Europe's most prestigious brands and manufacturers.

Audley Retirement develop and Operate luxury Retirement properties throughout the UK. As a luxury brand we choose our Partners carefully! Zest are an ideal fit due to the quality and range of the product, delivery and customer service throughout the development. Each year Zest provide over 600 bathrooms and I cannot recall one single issue. The Zest team have a passion for customer service that you will find hard to match!
